Words visualize the ambition and our aim is to educate the students to LEARN, not just STUDY. Besides providing a education, we motivate and educate our students to experience practical learning for real life. We firmly believe that education is the key to a nation's progress so it is our duty to provide the best academic training to the students. Thus, we emphasize more on learning modules.

Dr. Alok Bhatt
Vice Chancellor

The university endeavors to comfort the students with the required knowledge and skills to become successful in their respective fields. Hard work and discipline are the sure roads towards success. We will always support students in achieving their ambitions and also ensure that their stay in the university is meaningful and fruitful as well.

Subject: - Letter of Appreciation.

Respected Madam,

We extend our hearty thanks for guiding us and motivating our students, Research Scholars and Faculty members on the Topic “आधुनिक युग में संस्कृत की उपादेयता एवं संभावनाएं” on 2nd December 2023 on Google meet platform. Madam, definitely it was a sparking session which gave us insight view about the above said topic. We are grateful for your efforts and time. Your words were truly encouraging and motivating for the gathering. Most of our students were unaware of the facts which you have explored in the webinar and was quite specific as well as common.

Everyone left positive feedback and we hope that you have also enjoyed the webinar. Thank you Madam, for supporting us in this awareness event. We wish to have you again as guest speaker for another event.

Sincerely,

Convenor
