EXTENSION ACTIVITY

On 10/01/2024, detailed information about NEP 2020 was given in Govt. U. Maa. Atmanand Hindi Medium School. Students, Principal and Professors of the school were present. Emphasis on skill development and value-added education through National Education Policy Rajnandgaon, National Education Policy 2020 was promoted in State High School under the extension activity under the guidance of Dr. KL Tandekar, Principal of Government Digvijay Mahavidyalaya and under the able guidance of Dr. Anjana Thakur, Head of the Department of Political Science. While discussing the National Education Policy in detail, Mr. Sanjay Saptarishi, Assistant Professor, Political Science, told the students present in the school that the objectives of this education policy by the Central Government are to increase the gross ratio rate in the field of education, to make education simple and easy through multiple entry and exit, and also a student of any subject can study any subject such as a student related to humanities, arts or social sciences can choose the subject of science or commerce according to his interest, in the same way a student of science or commerce can also become proficient in the subjects of arts and literature. The maximum emphasis of this education policy is on skill development and value-added education because a student can find self-employment opportunities through skill development and can understand human values through value-added education. He further said that this course based on the new education policy has been implemented in the district's leading college, Government Digvijay Mahavidyalaya, and any student who has passed 12th can take admission on the basis of merit. On this occasion, expressing gratitude to the Principal of the school, Dr. Patta, a certificate and a memento were presented to him by the Head of the Department of Political Science, Dr. Anjana Thakur. On this occasion, many students of class 12 of the school were present.
