Dr K L Tandekar said that nature conservation is the responsibility of all of us. Rapidly decreasing forests are a matter of concern. Be it the crumbling mountains or the sinking cities, all this is the result of messing with nature. Not only in India but also at the global level, due to excessive rainfall, there is a situation of flood somewhere and drought somewhere. We have to give something back to nature. Efforts to collect and preserve the colors of nature are also very important. Dr Kiran Lata Damle, Head of the Department of Zoology, said that our cultural beliefs that choose nature as the nurturer give the message of stopping greenery and preserving the colors of the earth. Without preserving nature, human life is not safe. Trees, the ornaments of the earth, everyone has the right to live. At present, the paths of many rivers are being blocked, while at some places the mountains are also being cut. Due to deforestation, many animals and plants are becoming extinct. All this has become a problem for trees. In our country, trees are worshipped as God. This is the need of the hour, which we should continue and preserve trees, forests and animals. Take care of them on this occasion. But in the tree plantation program organized under the aegis of the department by the Honorable Dr. Aruna Palta, Vice Chancellor of Durg Hemchand University, a Parijat tree was also planted and she also gave an important message of saving nature to the students.

छत्तीसगढ़ के प्रथम स्वतंत्रता सेनानी शहीद वीरनारायण सिंह

शासकीय दिग्वजय महाविद्यालय के इतिहास विभाग में शहीद वीरनारायण सिंह जयंती मनाई गई। महाविद्यालय के प्राचार्य डॉ.के.एल.टांडेकर ने कहा कि वीरनारायण सिंह छत्तीसगढ प्रथम खतंत्रता संग्राम सेनानी थे। नारायण सिंह का जन्म 1795 में विझवार जनजाति में हुआ था। 1856 में छत्तीसगढ क्षेत्र में अल्पवर्षा के कारण भयंकर अकाल पड़ा तब वीरनारायण

सिंह ने ब्रिटीश कम्पनी को कर देने में समर्थता व्यक्त की और सहायता का निवेश किया। संकट की इस घडी में कुछ व्यापारियों ने अनाज को दबाकर रखा था। कस्डोल के एक व्यापारी माखन ने अपने गोदाम में अनाज जमा कर रखा था, उसे अपने कब्जे में कर वीरनारायण सिंह ने किसानों को बांट दिया था। व्यापारी की शिकायत पर नारायण सिंह पर लूटमार और डकैती का आरोप लगाकर 24 अक्टूबर 1856 को रायपुर जेल में डाल दिया गया था। विभागध्यक्ष डॉ.शैलेन्द्र सिंह ने कहा कि 1857 का विद्रोह जब प्रारंभ हुआ उसकी हलचल छत्तीसगढ़ में भी हुआ। 28 अगस्त 1857 को नारायण सिंह जेल से भागने में सफल हो गये। नारायण सिंह जानते थे कि ब्रिटीश सरकार उन पर कार्यवाही करेगी।

अतः उन्होंने 500 सैनिकों की सेना संगठित की थी। सोनाखान पर आक्रमण की जिम्मदारी कर्नल स्मित को सौंपी गई। नारायण सिंह गिरफ्तार कर लिए गए। डिप्टी किमश्नर इलियेट ने लिखा था :- मेरे कोर्ट के समक्ष जमीदार को प्रस्तुत किया गया और उस पर 1857 की अधिनियम की धारा 6 एक्ट 14 के अंतर्गत उस पर अभियोग लगाया गया। मैंने उसे फांसी की सजा सुनाई। कार्यक्रम का संचालन करते हुए प्रोफेसर होरेन्द्र बहादुर ठाकुर ने कहा कि नारायण सिंह के रूप में अंग्रेजों के समक्ष चुनौती कितनी बड़ी थी, इसका अंदाज इस बात से लगता है कि नारायण सिंह को फांसी दिए जाने के बाद सरकार ने उन जमीदारों को पुरूस्कार किया, जिन्होंने नारायण सिंह के विद्रोह के दमन में उनकी मदद की इस अवसर पर प्राचार्य डॉ.टांडेकर द्वारा वीरनारायण सिंह से संबंधित प्रश्न पूछा गया और विभाग के उत्तर देने वाले विद्यार्थियों वैशल्या, पेमिन धारगवे, वर्षा साहू, नेमचंद-साहिल रावटे को पुरूरकार दिया गया। इस अवसर पर डॉ.अजय शर्मा, डॉ.हेमलता साह तथा एम.ए.के विद्यार्थी उपस्थित थे।

इतिहास विभाग में मनाया गया सुभाषचंद्र बोस जयंती

शासकीय दिग्विजय महाविद्यालय के इतिहास विभाग द्वारा सुभाषचंद्र बोस जयंती मनाई गई। प्राचार्य डॉ.के.एल.टांडेकर मुख्य वक्ता श्री जितेन्द्र साखरे सहा,प्राध्यापक इतिहास. रानी रश्मि देवी महाविद्यालय, खैरागढ़, विभागाध्यक्ष डॉ.शैलेन्द्र सिंह द्वारा सुभाषचंद्र बोस के चित्र पर माल्यार्पण कर कार्यक्रम का प्रारंभ किया गया। विभागाध्यक्ष डॉ. शैलेन्द्र सिंह ने कहा कि वीर सावरकर ने सुभाषचन्द्र बोस की क्षमता को पहचाना तथा छोटै–छोटे आंदोलनों में शक्ति व्यय करने के स्थान पर कोई ठोस कार्य करने के लिए कहा। उन्होंने सुभाषचन्द्र बोस को राय दी कि उन्हे देश के बाहर जाकर अन्य देशों से सहायता लेकर भारत को स्वतंत्रता के प्रयत्न करने

चाहिए। सुभाषचन्द्र बोस ने रूस, इटली, जर्मनी आदि देशों से सहायता प्राप्त करने का प्रयास किया। जर्मनी सरकार से मिलने के बाद उन्होंने फी इंडिया सेन्टर की स्थापना की। प्राचार्य डॉ.के.एल.टांडेकर ने कहा कि 1923 में चितरंजन दास द्वारा सुभाष को स्वराज दल का महामंत्री का कार्य सौंपा गया। उनके प्रयासों से कलकत्ता नगर निगम के चुनावों में स्वराज दल की सफलता मिली। उन्होंने कलकत्ता की सड़कों के नाम अंग्रेजी के नाम से बदल कर भारतीय महापुरूषों के नाम कर दिए। गांधीजी से वैचारिक मतभेद होने के कारण उन्होंने कांग्रेस से त्यागपत्र देकर "फारर्वड.ब्लाक" नामक दल बनाया। मुख्य वक्ता श्री जितेन्द्र साखरे ने कहा कि सुभाष बचपन से ही स्वतंत्रता प्रेमी थे। सुभाषचंद्र बोस पर विवेकानंद का काफी प्रभाव था। उन्होंने 1920 में आई.सी.एस. की परीक्षा उत्तीर्ण की किंतु अंग्रेजी शासन के अधीन नौकरी करना स्वीकार

नहीं किया। 22 सितम्बर 1944 को सुभाष बोस ने "शहीद दिवस" मनाया तथा घोषणा की "हमारी मातृभूमि स्वतंत्रता की खोज में है। तुम मुझे अपना खून दो, मैं तुम्हे आजादी दूंगा" दूर्भाग्यवश उनका यह स्वप्न पूरा पूरा न हो सका। 21 अक्टूबर 1943 को सुभाषचन्द्र बोस ने अस्थाई सरकार की स्थापना की जिसे जापान, जर्मनी, चीन, इटली, कोरिया, फिलिपिंग आदि देशों ने मान्यता दी थी कार्यक्रम का संचालन एम.ए.पूर्व की छात्रा प्रगति नोन्हारे ने किया तथा आभार प्रदर्शन डॉ. अजय शर्मा द्वारा किया गया।

LECTURE ON WORLD NATURE CONSERVATION DAY

On the occasion of World Nature Conservation Day on 28th July 2023, Dr. Kannauje was present as a special guest lecturer at Government Science College, Rajnandgaon. Dr K L Tandekar said that nature conservation is the responsibility of all of us. Rapidly decreasing forests are a matter of concern. Be it the crumbling mountains or the sinking cities, all this is the result of messing with nature. Not only in India but also at the global level, due to excessive rainfall, there is a situation of flood somewhere and drought somewhere. We have to give something back to nature. Efforts to collect and preserve the colors of nature are also very important. Dr Kiran Lata Damle, Head of the Department of Zoology, said that our cultural beliefs that choose nature as the nurturer give the message of stopping greenery and preserving the colors of the earth. Without preserving nature, human life is not safe. Trees, the ornaments of the earth, everyone has the right to live. At present, the paths of many rivers are being blocked, while at some places the mountains are also being cut. Due to deforestation, many animals and plants are becoming extinct. All this has become a problem for trees. In our country, trees are worshipped as God. This is the need of the hour, which we should continue and preserve trees, forests and animals. Take care of them on this occasion. But in the tree plantation program organized under the aegis of the department by the Honorable Dr. Aruna Palta, Vice Chancellor of Durg Hemchand University, a Parijat tree was also planted and she also gave an important message of saving nature to the students.

The chirping sparrow is becoming less and less. Various bird species, including sparrows, that we saw as children, are no longer easily seen. Conservation of various birds including sparrows is very important for the conservation of our nature as birds directly or indirectly scatter the seeds of various trees and plants and at the same time make them able to germinate. Sanjay Thiske said that the process of constructing artificial nests is quite simple and we can contribute to the conservation of birds by doing such work at the domestic level. The process of nest building depends on their breeding season, One of the major reasons for the absence of birds commonly seen around the house is the lack of materials used in their nesting, increasing urbanization grass, straw, straw, twigs, straw used for nesting Assistant Professor Shri Chiranjeev Pandey explained that just making artificial nests does not mean that birds will experiment with them. Old cardboard, straw, Whether or not they will adopt artificial nests made of jute etc. depends on their selection process which is quite complex. Yet we have seen that sparrows or easily Special guest of the program and former student of the department Prakriti Mitan Than Singh Sahu said that artificial in the first department He took the initiative in the process of building Maghosala and taught his own experiment to other classmates in the department and public awareness program through expansion made to encourage people to conserve other birds including sparrows Artificial nests can be built for birds of prey. By the way, naturally built nests are better but the current situation We also need to make such efforts to conserve them by seeing them. There are many birds that have adapted to live in cities in this situation we them They can also be protected in urban areas by providing artificial nests We can also attract them to stay in their habitat by providing them with food and water.

SAVITRIBAI PHULE BIRTH ANNIVERSARY

THE FAMILY WILL BE KNOWLEDGEABLE IF THE WOMEN OF THE HOUSE ARE EDUCATED: DR. TANDEKAR

Savitribai Phule's 193rd birth anniversary was celebrated under the guidance of Principal K.L. Tandekar of Government Digvijay Mahavidyalaya and Head of Journalism Department Dr. B.N. Jagrit. The Principal while addressing the students said that when we see, read and hear history, we see how much humiliation women had to endure, they were unable to raise their voice for their rights, they used to live in fear and intimidated. At that time Savitribai Phule raised her voice for women and the Dalit community and while enduring all the tortures, she opened schools in the country and worked to make everyone aware. She further said that that family and society will be knowledgeable where women will not be deprived of education but will be encouraged to study and move forward, we all have to respect women power.

Dr. B.N. Jagrit said in his address that students have to be told about history and respect the ideas of Indian society. At that time it was a very difficult task to share your thoughts and make people aware. Such a learned woman stood firm on her duty in the society without fear and without stopping, with courage she kept widows, sick, sad and people ostracized from the society in her ashram. She really sacrificed everything for social service and created history. Today every woman is fighting for her rights. We are getting education for this today after getting education in school and college. Further student Manish Devangan said that the literacy rate of women is 78 percent in Rajnandgaon. Still, today women are educating their children even after being uneducated, they are working hard for the education of children. Those who are getting independent education at present are the gift of Savitribai Phule. Deep Ramteke, while telling about her life cycle, said that we all should know such an educated woman, who is giving us bread along with livelihood to live life. Ila Siddiqui said that the pride we have got today as a woman is her gift. Kiran said that today the great heroine made women capable of studying in school and college, today we all see her as Jagat Guru. All the students along with Akhilesh gave feedback in one voice and said that such programs should

be organized in future as well, so that all the students get benefit. The program was conducted by Diksha Deshpande and Amitesh Sonkar expressed gratitude. Reshmi Sahu gave special support in this program and a large number of students were present.
