BEST PRACTICE 1 (2023-24)

Title of the Practice: *Working with Community*

Objectives of the Practice:

- 1) To inculcate social awareness, values and responsible behaviour amongst students.
- 2) To nurture students as responsible citizens with moral, ethical and social values
- 3) To create awareness among students and staff towards our responsibility for societal development.

The Context: Students play a vital role in society and they are an active instrument in shaping the society. Education enables the student to understand within himself his strengths and potential. Keeping that in mind, our institution engages the students in various social activities to inculcate in them the feeling of responsibility towards society.

The Practice: The institution, through its units like; NCC, NSS, Youth Red Cross, organizes various activities, and engages students in community services. These units performs various activities like awareness programs and rally (engaging society to their activities) on Superstition Free Chhattisgarh, Women's day, Communal Harmony day, Labour day, Water Day, World Youth Week, etc.

They also do other activities like preparing and promoting use of Herbal Gulal (preparing in the institution and distributing to create awareness), Making nests for birds from waste material (training school children and society also), providing food, shelter and water to birds (engaging the denizens of villages), organising blood donation camps (at mass level in and outside the institution), Roko Toko Drive (in collaboration with the traffic police), yoga training to schools children and villagers etc.

In collaboration with the District Administration (Collectorate), various literary activities are performed at Srijan Samvad which is dedicated to the literary heroes of the institutions: Gajanand Madhav Muktibodh, Padumlal Pannalal Bakshi and Baldeo Prasad Mishra.

Problems encountered and Resources Required:

To create networking among students, various units to provide services and the community people is difficult. The resources required were the man power from various units.

Evidence of Success: The students now voluntarily come forward to organise such activities and actively take part in it. The nearby villages are also an evidence of the success of this best practice.
